

# Call for Abstracts, Workshops, and Symposia Open

INEBRIA

International Network on  
Brief Interventions for Alcohol  
Problems.

**8<sup>th</sup> Annual INEBRIA Conference: September 21-23, 2011  
Boston, MA, USA**

**ABSTRACT, WORKSHOP, AND SYMPOSIUM SUBMISSIONS DUE  
MONDAY, MAY 30, 2011**

**September 21: Implementing and Sustaining Alcohol and Other Drug Screening and Brief Intervention (AOD-SBI) Meeting: Lessons from Large Scale Efforts**

**September 22-23: INEBRIA Conference – New Frontiers: Translating Science to Enhance Health**

**At the Liberty Hotel, Boston, MA**

These conferences will communicate new findings from research on screening and brief intervention (SBI, also known as early identification and brief intervention, EIBI), foster professional collaborations, and facilitate the development and dissemination of SBI research with a particular focus on implementation and sustainability.

We are seeking abstracts, workshop and symposium proposals in the following categories:

1. Research relevant to alcohol SBI
2. Research relevant to other drug SBI
3. Clinical or Educational Program evaluations relevant to alcohol and/or other drug SBI
4. Sharing of experiential or theory-based/generating insights
5. Interactive workshops

**To submit an abstract, workshop or symposium proposal, or to register for the conference, go to: [www.inebriaboston.org](http://www.inebriaboston.org) or <http://www.bumc.bu.edu/care/inebria/>**

**For more information contact: [info@inebriaboston.org](mailto:info@inebriaboston.org)**

**Conference Executive Committee:**

Richard Saitz, MD, MPH, Boston Medical Center, Boston University Medical Campus, Boston, MA

J. Paul Seale, MD, Mercer University Medical Center, Macon, GA

Daniel Hungerford, DrPH, US Centers for Disease Control and Prevention, Atlanta, GA
