

**PEER REVIEW OF SCIENTIFIC JOURNAL ARTICLES:
LUNCH WITH THE EDITORS OF DRUG AND ALCOHOL DEPENDENCE**

WEDNESDAY, JUNE 18, 12:00-1:30 PM

This special lunch session will feature editors of the CPDD-sponsored journal *Drug and Alcohol Dependence* providing an insider's view of the review process for submissions to scientific journals. The focus will be on peer review, how reviewers are selected to review your paper and how editors use the recommendations and comments of the reviewers to make decisions. Special attention will be given to the benefits of being a reviewer yourself, how to become a reviewer if you have not done so before and how to be a good reviewer. Although preference will be given to post-doctoral fellows and junior scientists, anyone is welcome to attend. There is no cost for the lunch, but you must pre-register and attendance will be limited. Admission will be open until the attendance limit is reached.

The session is full. The names of those applying now will go on a waiting list.

To apply, please use the Registration Form on the next page.
